

Aronia Bread (Bread Machine)

Ingredients

3 cups flour
1/2 tsp salt
2 tbsp sugar
4 tsp Applesauce, unsweetened
1/2 cup water
1 pkg. yeast.

Instructions

Add berries to dry ingredients in pan. Add warm water. Select course.
This produces a wonderfully purple bread with dark berry pieces throughout with a chewy texture. This mix must be monitored during the mix cycle. As the berries juice and the dough becomes wetter, add flour.
